Greetings Fisk Family & Friends,

I trust this letter finds you safe & well amid this global pandemic our country is in. Because we are a faithful resilient people , allow me to offer encouragement along with appreciation from the Scholarship Committee. Last year, our dear daughter ever on the altar Mrs. Fern Fernandez went home to be with the Lord. A diligent and selfless Scholarship Committee member for over 20 years she NEVER complained, no matter the provocation or situation, she NEVER complained. She would lean back in her chair, cross her legs and say, "ALL IS WELL". We as a Committee will continue her legacy and declare not only that all is well, but like the songwriter said, I won't complain. We won't complain because we've got some of the best students and future game changers this world will ever see. We won't complain because we've got tried & true Alumni who always donate and will continue to make the sacrifice to see our Alma Mater succeed. More importantly, we won't complain because, who has time for that? It's Scholarship season and we have new, incoming and returning students waiting on us! They've studied, put in the work and gotten the grades and done their part, now let's do our part and help them the best we can.

For those of you who have already donated, rest assured that we have received your donation and APPRECIATE you! Fiskites and friends the Scholarship Committee is depending on your donation in whatever amount you decide to help make our award season next level.

Respectfully Submitted,

*Courtney Steadman
Scholarship Chairwoman
